

## Rivercap USA™ PVC Capsules

Cork Supply is proud of our long-term partnership with Spain's esteemed Rivercap, a leading world-class manufacturer of premium decorative wine capsules. Produced in Benicia, California, Rivercap USA's Heat-Shrink PVC capsules provide an economical option for wineries with multiple product lines and price points, specialized bottle configurations, or applications requiring tamper evidence.

With unlimited colors and shades, a variety of finishes, and numerous taper sizes, it is easy to create customized perfection. Top and side decoration can be hot-stamped, blind embossed, and/or rotogravure-printed in up to 4 colors.
